

# ADM Solar

## POWERING INDIA'S SOLAR FUTURE

Integrated Solar Manufacturing &
Renewable Energy Solutions

Corporate Profile
**2026 Edition**

# Organization at a Glance

**800 MW**

**Fully Automated** Solar PV Module

**1 GW+**

PV Modules **Supplied** In Past **3 Years**

**ALMM**

Enlisted Manufacturer With **BIS & IEC** Certifications

**Diverse Portfolio**

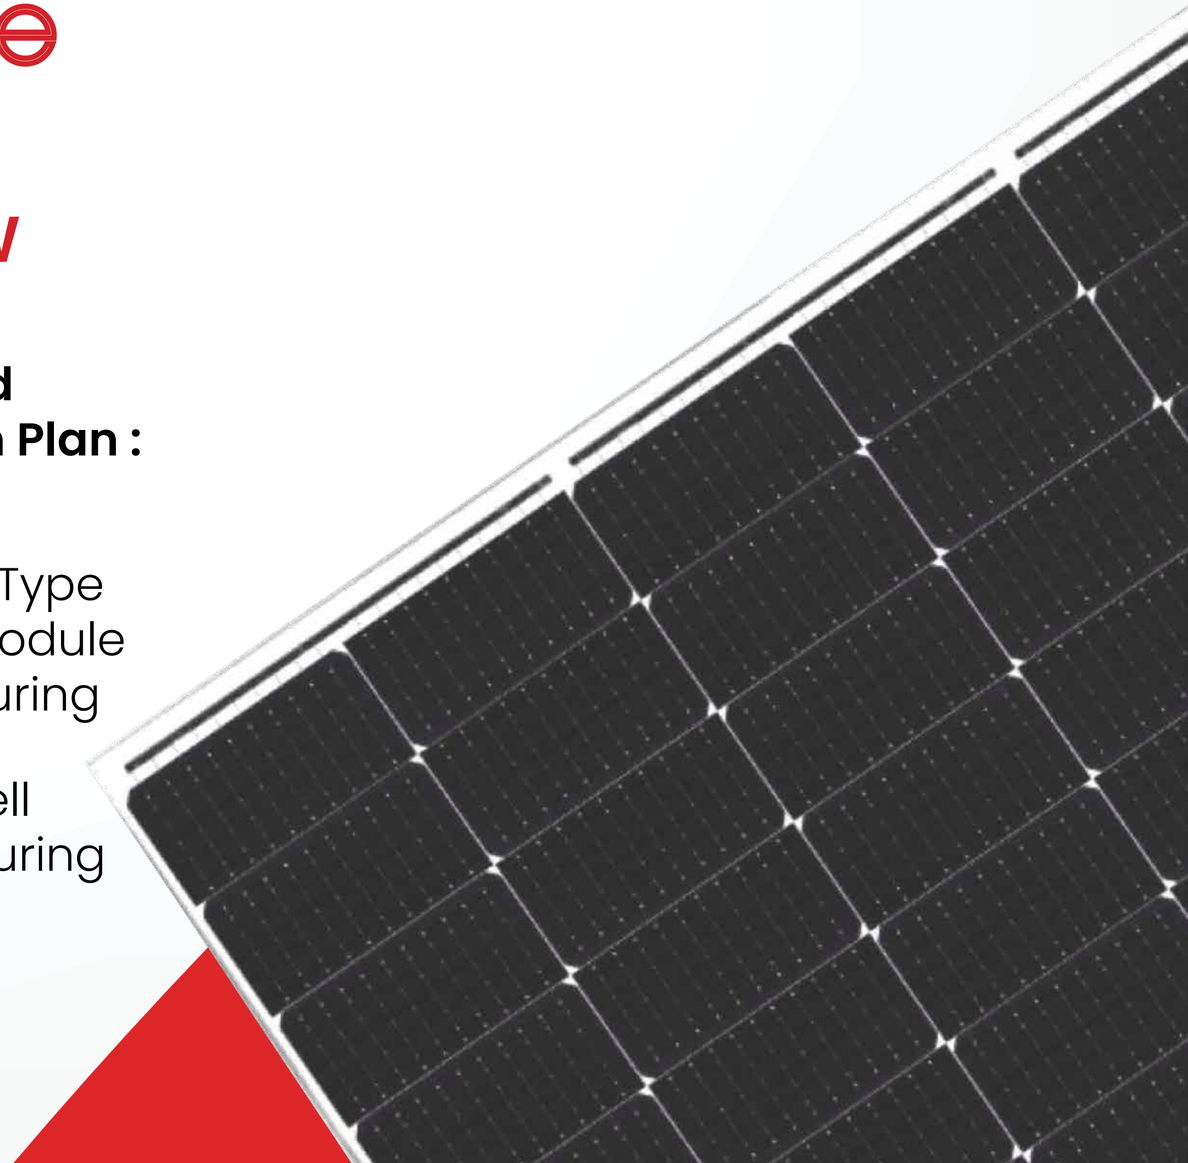

Super Efficient **Mono PERC Modules** in Mono & Bi-Facial

**4.8 GW**

**Backward Integrated Expansion Plan :**

**2.4 GW** N-Type TOPCon Module Manufacturing

**2.4 GW** Cell Manufacturing

# Cutting Edge Manufacturing

Latest **Hi-Tech Automated** Machineries

**Expendable Line** with flexibility for multiple products

**A1 Quality BOM** Procured From Tier-1 Suppliers

**50+ Inhouse** Stringent Quality Checks

**In-House Laboratory** for Hi-Pot Test, Wet Leakage Test, Gel Test, Pull Test, Ground Bound Test, Impact Test & Mechanical Load Test etc.

ADM Solar

## Vision

To be among the **global leaders** in **renewable energy**, providing integrated & innovative solar solutions that make clean energy accessible, reliable & scalable for communities & Industries worldwide.

## Mission

We design, manufacture & deliver **cutting edge renewable energy** solutions to empower businesses & communities with **Sustainable & Cost-effective** energy, through Innovation, Quality & Strategic expansion, we aim to reduce Carbon footprints & drive **Energy Independence Worldwide**

## Objective

To achieve **$1 Billion Revenue** by **FY30** through Leadership in **Solar Module manufacturing, expansion** into **Solar cell** production & backward integration, **diversified renewable energy solutions**, while maintaining a commitment to Quality, Affordability & Environmental Impact.

# Our Purpose

ADM Solar

**Our Purpose** is to **empower a sustainable future** by delivering high-quality, reliable, and affordable solar energy solutions. We are **committed to make clean energy accessible for everyone** - from rural households to large industrial facilities.

ADM Solar

## We aim to:

**Harness the power of the sun** to reduce dependence on non-renewable energy sources.

**Promote energy independence** through innovative solar solutions.

**Contribute to a greener planet** by reducing carbon emissions.

**Energising Progress** through sustainable energy for economic prosperity and environmental harmony.

**Create long-term value** for all stakeholders through trust, performance, and service excellence.

# Leadership Insights

At **ADM Solar**, we believe solar energy is the key to build a cleaner, more self-reliant future for India. **Our vision is to offer high performance solar solutions and efficient EPC services to make clean energy accessible to all.**

As we support the nation's clean energy goals, we remain committed to quality, innovation, and responsible growth. Through initiatives like the **PM Surya Ghar Yojana**, we aim to contribute to **light up 10million households in India**—bringing not just electricity, but hope, dignity, and opportunity.

We see this as more than a business—it's a shared mission to empower communities and contribute our best to India's energy transition.

ADM Solar

# Global Mark For CREDIBILITY & TRUST

dun & bradstreet

This is to certify that

ADM SOLAR POWER AND INFRASTRUCTURE PRIVATE LIMITED

22/1, The Printers House Private Limited, Mathura Road, Sikri Industrial Area, Ballabgarh
Faridabad 121004 Haryana India

is now part of the Dun & Bradstreet Global Database and has assigned the

D&B D-U-N-S®Number: 86-047-9002

7th November 2025

"The fact that this business is registered in the D&B database should not be construed as suggesting that credit or any other financial or business transaction should be approved, denied, restricted or delayed. It only signifies that there is sufficient information in the database to assign a D&B D-U-N-S® Number. "D&B D-U-N-S® Number is a registered number of Dun & Bradstreet Corporation, USA. This is a computer generated certificate and needs no signature.

# Why Choose ADM Solar

ADM Solar

**800 MW** Fully Automated PV Module Manufacturing

Entrusted by **multiple** quality, compliance, **inspection** and audit **agencies**

Comprehensive & **diversified** Product **Portfolio**

Associated with Big **EPC** Players & **Developers**

**Lead time benefit** with **100%** proven record of On-time delivery

**10X Growth** Year on year since inception

**Competitive prices** for superior ROI (return on investment)

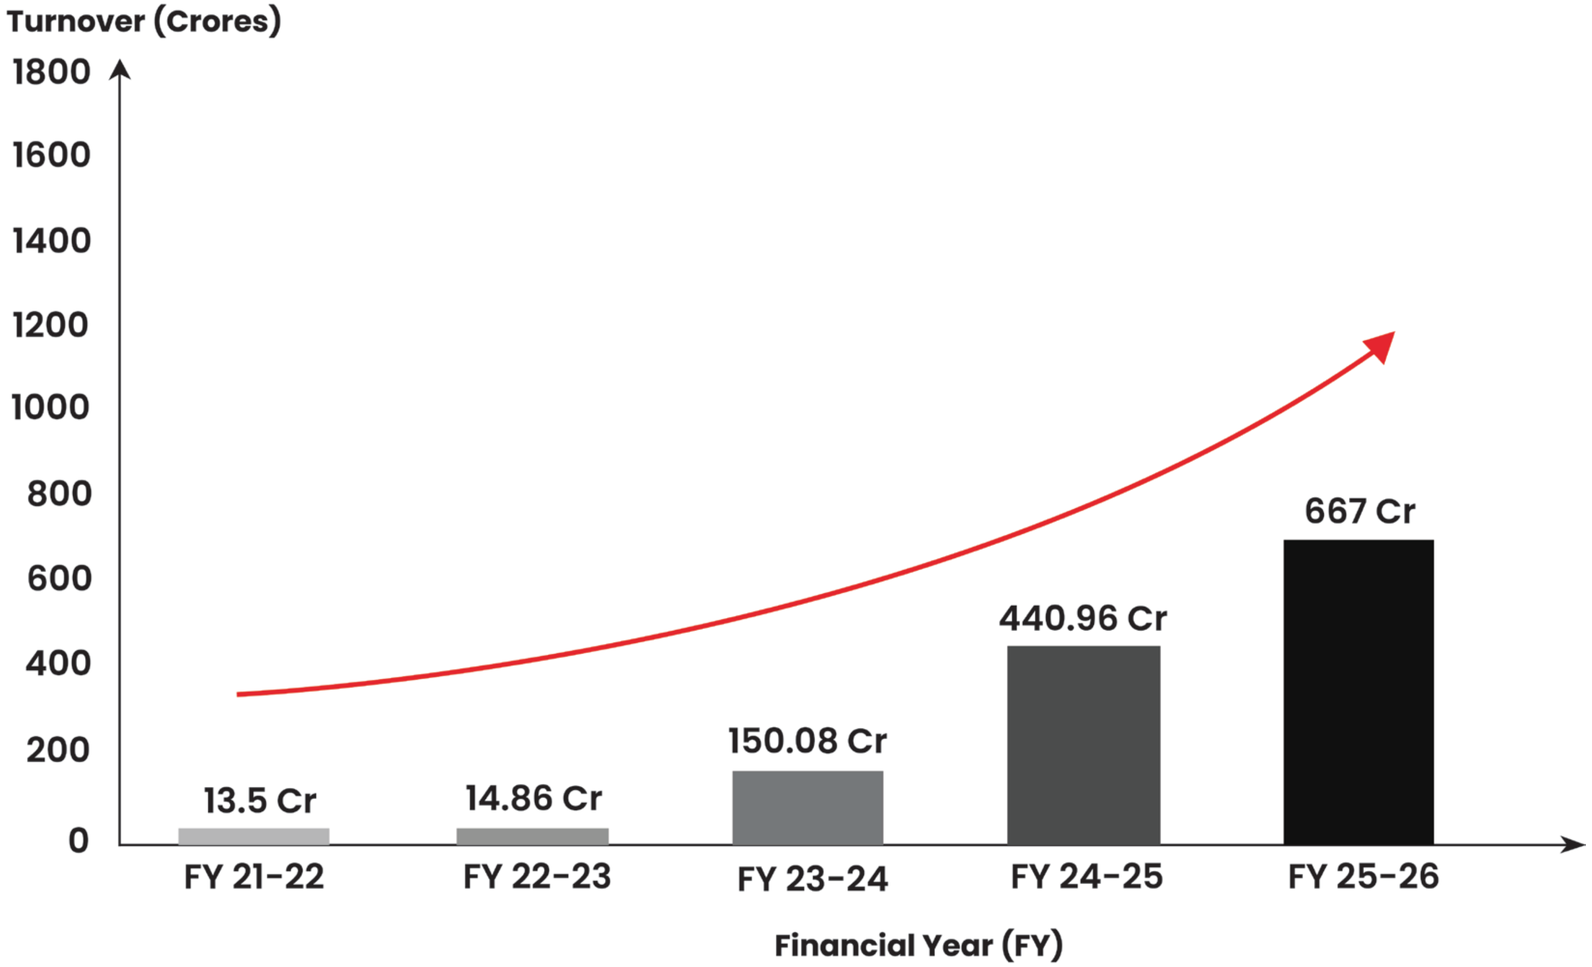

**100%** Assured **After sale service support**

**50+ In-house** Stringent **QCs** to ensure **outstanding performance**

# Our YoY Growth Trajectory

# Solar Points

**ADM Solar Points,** a consumer-centric retail initiative by ADM Solar, aimed at **bringing high-quality solar solutions closer to end users.** With rapid expansion into key locations across India, these **company owned & company operated (COCO)** solar points are strategically established to meet the growing energy needs of **residential and small industrial consumers.**
